

# YOUR LOCAL.

The newsletter of Wargrave Big Local

— Spring 2018 —  
SPECIAL EDITION

## Our New Vision!

More people see Wargrave  
as a place of Safety,  
Wellbeing and Possibility

## New Plan!

Our new plan has been released! Pick up  
your copy at Newton Community Centre

## A Note From The Chair Louise Forshaw!

Welcome to this special edition of our Newsletter.

We are taking a three month reflection period to review what we are doing - we would like you to be involved!

Don't miss our drop-in for Wargrave residents with coffee and cake! As always we welcome your views via email or letter, see contact details below.

Would you like to know more or give us your views? Drop into Newton Community Centre on Monday 19th Feb 2018 10.30 until 1.30 for cake, coffee and a chat with Big Local Partnership members.

## Our New Plan for 2018/19

We want to make sure that the £1 million is used in the best way to benefit the residents of Wargrave. We have decided on three new themes to help us achieve our vision: Employability, Community and Wellbeing.

Come and tell us your views on this, see our intended outcomes, and chat to us about what you would like to see happen in Wargrave.

## Do You Know A Good Fellow Citizen?

Wargrave Big Local would like to recognise and reward acts of kindness in our community.

For example, this could be watching over vulnerable neighbours, helping with shopping, dog walking, offering lifts to appointments, or any good deed.

Use the form to the right to make your nomination.

Winners would automatically qualify for a Certificate, Lapel badge and a small monetary award.

Hand this form in at Newton Community Centre, Park Road South, Newton le Willows, or bring it to the Drop-In.
